U.M.W. Elects 'Tony' Boyle As President

WASHINGTON—United Mine Workers headquarters said yesterday that W. A. "Tony" Boyle was overwhelmingly elected international president Tuesday in the union's first contested election in 40 years.

This result, it said, was based on unofficial returns reflecting 90 percent of the votes cast.

It said unofficial returns gave Boyle 90 percent of the votes on which headquarters had reports, which included most locals.

Pennsylvanian Is Foe

Some 2,000 locals in 28 states voted with about 300,000 U.M.W. members eligible to cast ballots.

Boyle's opponent was Steve Kochis, Jr., a Clarksville, Pa., miner.

Boyle, 59, was elected vice president in 1960 and became president last year when Thomas Kennedy died. His election to the \$50,000-a-year post is for a five-year term.

Also contested were the jobs of vice-president and secretary-treasurer. The U.M.W. said the incumbents, R. O. Lewis of Charleston, W. Va., and John Owens of Cambridge, Ohio, won. Both jobs pay \$40,000 a year.

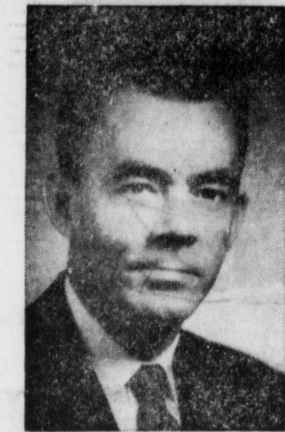

Kentuckian Runs

The last contested election was in 1924 when John L. Lewis was elected for the first time. He retired in 1960 and now is president emeritus.

The independent union claims about 500,000 members, including those of its District 50 covering workers in allied industries, who were not eligible to vote.

The vice-president's opponent was William S. Howard of Moundsville, W. Va. The secretary-treasurer was opposed by two candidates, Landell Thorsberry of Wheelwright, Ky., and Paul Silva of Adena, Ohio.

Beltone Hearing Has New Manager For Hazard Office

Clyde Sipple

The appointment of Clyde Sipple as District Manager of the Beltone Hearing Aid office in the Hazard Clinic Building on East Main Street was announced today by William H. Gardner, franchised distributor for Southeastern Kentucky.

Mr. Sipple will handle the entire Beltone line and will also conduct free hearing tests for persons suspecting hearing losses.

Mr. Sipple, his wife Naomi, and two children, Frank and Sandra Kay, reside at 201 Sycamore Street, Hazard. They also have a daughter, Brenda, who attends college in Johnson City, Tennessee, and a son, SP-5 Wayne Sipple, stationed in Germany.

Officials Report Moonshine Raid

Federal officials, State ABC Agent Ram Stamper and Leslie County Deputy Hence Sudham raided and destroyed a moonshine still at Punchedon Camp in Leslie County Friday and arrested two men, Chadwick Hill, 37, and Rex Morgan, 52, both of Hyden.

The 55-gallon moonshine still was in operation at the time and the officers found fifty gallons of mash and seven gallons of moonshine whiskey.

Hilton and Morgan were taken before the U. S. Commissioner at Pineville this morning. Anyone wishing to report a moonshine still is asked to contact the Federal Investigators, Box 736, Hazard.

Big Branch Chapel Plans Christmas Program

The Big Branch Fellowship Chapel will present its Christmas Program, Sunday night, December 20, at 6:30 p.m.

The public is cordially invited to attend.

BOONESBOROUGH IMPROVEMENTS—A picnic shelter with restrooms is one of the new day-use facilities recently constructed at Boonesborough State Park, now being developed by the State on the Kentucky River between Richmond and Winchester. Another picnic shelter and a camping area service building have also been added and a new boat dock and launching ramp, driveways and a paved parking area have been built. The 85-acre park just off U.S. 227 on the Madison County side of the river is near the site where Daniel Boone and his companions in 1775 established Fort Boonesborough. The park's natural sand beach area will also be graded, a new walkway to the beach will be constructed and the bath-house will be remodeled. Other areas have been sodded and seeded.

McCarey Appointed Safety Director

Lloyd McCarey of Martin, Kentucky, has been appointed Secretary-treasurer and Safety Director of the Kentucky River Mining Institute, succeeding Robert Dickson who retired in November, 1963.

Mr. McCarey is a native of Floyd County and a graduate of Maytown High School. He attended Morehead State College and the Ashland Branch of the University of Kentucky.

Mr. McCarey's mining experience began in January 1947, after completing six years service in the U. S. Navy. His wide range of mining and safety experience includes: Mine Foreman and Truck Mine Operator, Turner Elkhorn Mining Company, Drift, Kentucky; Safety Engineer, Coal Operators Casualty Company, Lexington, Kentucky; Safety Supervisor, Semet Solvay Division, Allied Chemical Corporation, Ironton, Ohio,

and the Industrial Engineering Department, Princess Elkhorn Coal Company, David, Ky. He is married to Patricia Adams McCarey and they have three sons, Lloyd Douglas, attending Eastern State College, Jerry Lee, attending Prestonsburg Community College and Christopher Adams, attending Kindergarten at Martin. Mr. McCarey and his family expect to move to the Hazard area in the near future.

Christmas Caution Urged To Stop Hazards; Negligence Causes Fires

A word of caution has been issued to Christmas tree buyers and trimmers in an attempt to prevent fire hazards during the Christmas season.

Harold Foster, director of the fire prevention division of the State Department of Public Safety, said, "Every year, tragedy strikes families in Kentucky because of pure negligence. The selection, trimming, and care of a Christmas tree can make the difference in a happy holiday season and death, injury, and destruction."

Listing things to do, and not to do, and tips to remember during the Christmas holidays, Foster offered the following list of recommendations:

When picking out a tree, choose a fresh one. Saw off the butt at an angle an inch or more above the original cut. Stand the tree in water from the time you buy it until you dispose of it. Don't rely on self-applied chemical preparations to "flameproof" your tree — none is truly effective. (Trees commercially treated with UL listed fire retardant compounds are satisfactory.) Set the trees away from radiators or fire, place, and never where it might block your escape in case of fire.

If you choose a plastic tree, be sure it is marked as made of slowburning materials. If it has a built-in lighting system, it should carry the Underwriters' Laboratories label.

Metal trees will conduct electricity, so use only indirect lighting. Lighting strings on the trees may create a dangerous shock hazard.

Decorative lighting should be used with care. Check lighting strings before using for frayed wires, loose connections and broken sockets.

Never use wax candles on or near the tree, or with polystyrene foam candle holders or decorations. Turn off tree and other decorative lighting before retiring or leaving the house.

For outdoor lighting, use only sets listed for outdoor use by the Underwriters' Laboratories.

Use noncombustible decorating materials (metal, glass, asbestos, etc.) wherever possible. If combustible — like cotton batting flocking paper and polystyrene foam — be sure they are "flameproofed."

Dispose of gift wrappings promptly and safely. Do not allow them to accumulate.

Do not smoke near the tree. Of most importance, plan in advance alternate means of escape should fire occur. Make sure everyone is safely out of the building and call the fire department as quickly as possible.

Hazard Bulldogs Win Invitational Tourney; Defeat Bobcats 57-41

Beginning to show the power they were supposed to have the Hazard Bulldogs won their own Invitational Tourney with a 57-41 decision over the Breathitt County Bobcats in Saturday night's championship contest.

Like all tournaments this one had an upset as the Napier Navajos turned back the Jenkins Cavaliers, sole conquerors of Hazard, 67-61 in Thursday's opener.

Jenkins led by four 14-10 after eight minutes but in the second frame fireworks went off both on and off the court as Napier raced to a 34-25 half-time lead. The off-court fireworks were those of the illegal type.

Jenkins came back and cut the Napier lead to three 51-48 after three periods but the determined Redskins hung on to hand the 14th region's top five its first loss.

Four Navajos hit twin figures led by Mark Fugate with 17, Sparkplug Eddie Combs, who came off the bench to ignite the second period flurry, came up with 15, Charles Hoskins tallied 11 and Brack Baker picked up 10. Four Cavaliers also hit double digits topped by Darrell Osley with 16, Mike Adkins with 13, Jerry Conley with 12 and Dave Bentley with 10.

Breathitt County 88; Dilce Combs, 64

The hot shooting Panthers made a game of it for one-half but the stronger Bobcats displayed an awesome offensive punch to pull away in the second half. Breathitt led 41-37 at the half but after three periods the score read 64-46 Breathitt.

Sam Turner led all scores with 31 points, Alfred Raleigh had a good night with 25 and Eugene Cundiff chipped in with 20. Bo Strong topped the Panthers with 20, Charles Minks added 18 and Jasper Sumner came up with 12.

Semi-Finals—Hazard 74; Leslie County 49

Jim Rose pumped home 29 to lead the red hot Canines to the finals but he had a good supporting cast. There was little doubt in this one after Hazard raced to an 18-9 lead after the first period.

Backing up Rose in scoring was Bill Morgan with 14. Chester Rose got in the swing of things with 13 and Freddie Hogg came in with 12.

Leslie County's dandy combination of Bruce Vance and Phillip McReynolds topped R.B. Singleton's Eagles with 16 each.

Breathitt County, 59; Napier, 37.

Talk about "about faces" the M. C. Napier Navajos made the best we've seen in a good while as they dropped this one to the Cats.

Napier led 8-7 after one period but that was about it as Breathitt was on top 24-14 after one-half and Napier never caught up.

Alfred Raleigh paced the winners with 23 markers, Jim Hays, taking over for the now departed Adam Spencer tallied 16 and Sam Turner had 11. Brack Baker was the only Nava-

jo in twin-figures with 11. Mark Fugate, Napier's leading point-getter was held scoreless.

Finals—Hazard, 57; Breathitt County, 41

These two swapped basket for basket for three periods but an iceburg hit the Bobcats in the fourth period as Hazard point-getter was Alfred Raleigh ran off 20 points to 7 for the

win upped Hazard's record to 5-1 while Breathitt lost its first after 10 straight.

Chester Rose led the winners with 15, Bill Morgan got 14 for the second straight night, Fred. die Hogg added 12 and Jim R-se tallied 10. Breathitt's top point-getter was Alfred Raleigh with 13.

Annual VFW Christmas Party Scheduled at Walkertown Dec. 20

The Annual V.F.W. Christmas party will be held Sunday, December 20th at the Post home in Walkertown, at 2 p.m.

Post Commander C. M. Rogers announced that the jolly old man from the North Pole, Santa Claus himself, will be on hand for all the kiddies to see. All V.F.W. members are asked to bring a gift to give to one of the children.

There will be Christmas Music and fruit and candy baskets for the children.

Co-chairmen of this year's event, Bill Douglas and Earl Hospital in Lexington, Mr. Brashear, urge all V.F.W. members, employees and their families to be present this coming Sunday.

Error Corrected In

Thursday's Herald

In Thursday's issue, The Hazard Herald erroneously headlined a poem "Verse In Memory of Deceased Husband". The poem was written by Mrs. William Henry Brashear in tribute to her husband, also known as "Bill Henry" Brashear, who is in a Veterans Hospital in Lexington. Mr. Brashear, urge all V.F.W. shear is not deceased.

Former Resident Receives Award

Mrs. Seba Sloane, first grade teacher at Mary Todd School, Lexington, was the recipient of an "Excellent Teaching" award at a PTA meeting at the school.

Mrs. Sloane was born and raised in Perry County. Her husband, Robert W. Sloane, was born and raised in Pippa Passes. Mrs. Sloane, the former Miss Seba Stamper, was County Court Clerk for four years many years ago. She has been teaching in Lexington for the last seven years.

Shown above are, from left, Mrs. Sloane and Thomas J. Dunn, principal, who presented the award. Mrs. Sloane received honorable mention from the "Instructor" a publication for teachers, in a state contest.

Vocational School Training Class Hears Address by Combs

The first clerk-stenographer class under MDTA at the Hazard State Vocational School completed the training on Wednesday, December 2. This class began on January 27, 1964, with Mrs. Era Boone Ferguson as instructor.

A dinner to commemorate this occasion was held at the V.F.W. Club on Saturday evening, December 5. Mr. Ed Ahrens, a coordinator at the Vocational School, served as Toastmaster. Mr. Don Combs of the Economic Security Department gave the main address. He outlined the procedure to be followed in obtaining clerical positions and discuss the job possibilities.

The Director of the Vocational School, Mr. Walter Prater, presented certificates to the following students: Virginia Basso, Thelma Bingham, Mildred Combs, Janice Comer, Gaye Gabbard, Virginia Hutchinson, Mona Jones, Robyna King, Clara Lee Lykins, Clara Mullins, Phyllis Ogelsie, Janice Pratt, Christine Spencer, Juanita Thompson, Faye York, and Forestine Young. These certificates show the number of hours each student spent on each subject in the course. All prospective employers are urged to contact the school for more definite information concerning each student.

Special awards were presented by Mrs. Ferguson; and an-

other coordinator, Mr. Finley Begley, spoke briefly.

The invocation was given by Rev. F. Ross Figart.

Mr. Don Combs' address: "First, let me, in behalf of the Employment Service, congratulate each of you personally on a job well done."

PLACEMENT - General Information

"When we talked to you before, we did not get all the information needed on your application. We need to have you come into the local employment office as soon as possible so that we may bring all your personal data and work history up to date."

"Locally, we have one opening for which all of you are being considered. However, more openings do exist in Lexington and Washington for stenographers. When you leave this area seeking employment, you should go to the Employment Service Office serving the locality in which you plan to reside, talking with you your MDTA Diplomats, etc., because they are familiar with the Manpower Development Training Act. Also, you may have your General Aptitude Test Battery and

Proficiency Test results forwarded to them. This is done for your convenience, at no cost to you. If you haven't had the Proficiency Test, we will administer this at the local office as soon as possible. Most employers want the results of this test."

"As a result of our radio spot announcements, which WKIC in Hazard and WTCW in Whitesburg have been asked to run, we do expect local employers to call us if an opening exists in their company. Also, if any of you visiting employers need help, then may I suggest you contact us at the Employment Service Office any time. There is no charge for any of our services."

"There is a great turnover in the State Government due to voluntary quits, marriages, promotions, etc., if any of you are interested in State work."

"Due to economic conditions, the greatest demand for stenographers is out of this area. However, upon completion of training, this office will give trainees every assistance possible in finding work locally or will submit their application for openings from other states. The Hazard local office has job inventories from five (5) states. They are as follows: Ken-

tucky, Ohio, Indiana, Michigan and Missouri."

"Your class is the first forty-four (44) week clerk-stenographer class to complete training under MDTA at the Hazard Area Vocational School. We have had three sixteen (16) week classes to complete training and most of these trainees have found employment."

"May I emphasize the point that in order to find employment anywhere you must help yourselves. The more irons you have in the fire the better your chances are."

"There are many rumors floating around concerning the Manpower classes, but there is one in particular which I would like to kill in the bud. Someone has said that all the training and subsistence allowances must be repaid. There is absolutely no truth to this. You do not repay one dime unless, of course, you have made false statements to obtain these funds. If you have made false statements, of course, this is punishable by fine and imprisonment."

"In closing, let me again congratulate all of you on your fine work in this training class and encourage you to come into the office at your earliest convenience."

Lloyd Woods Completes Army Tests

Army Specialist Four Lloyd Woods is a 1957 graduate of G. Woods, son of Mr. and Mrs. Hanon Woods, Viper, Ky., completed a series of Army training tests November 17, while stationed with the 3rd Armored Division in Germany.

Specialist Woods is assigned as a mechanic in Headquarters Troop, 3rd Squadron, of the division's 12th Cavalry near Budingen, Germany.

Specialist Woods entered the Army in January 1963 and completed basic training at Fort Knox, Ky.

The tests are conducted regularly to determine the combat readiness of each soldier and his unit.

Woods is a 1957 graduate of Dilce Combs Memorial High School, Jeff.

Shower Given For Mrs. Sayers, Party Honors Rev. Standifer

by Mrs. Ernest Fritts, Sr.

Mrs. John Standifer is visiting Mr. and Mrs. Jimmy Thompson in Ohio. Mrs. Thompson is the daughter of Mrs. Standifer.

The Rev. John Standifer, pastor of the Church of God was honored with a surprise birthday party at his home Friday evening. After the church service some of the members detained Mr. Standifer in the church while another group hastened to the parsonage and prepared the surprise. After the singing of "Happy Birthday" refreshments were served to the guests. Rev. Standifer was the recipient of many nice gifts. A large group was present.

Miss Percillia Byrd was in Hindman Saturday where a test for high school seniors was given pertaining to the college program for the coming year. Much luck, Percillia!

Mr. Ernest Fritts attended the U.M.W.A. election at Allais Hall Tuesday morning for the purpose of electing national officers. It was first election for office of President in 40 years. Eugene McPherson has re-

turned from Virginia where he has been employed on one of the state work projects.

Mrs. Dealis Combs entertained with a household shower at her home Friday evening. The honoree being her mother, Mrs. Ollie Sayers who just recently lost her home by fire. Delicious refreshments were served to the guests. Everyone enjoyed the evening. Mrs. Sayers received several gifts which were sure was deeply appreciated.

HEARING PROBLEM?

See the October Issue of Reader's Digest for a message of hope from Beltone!

This month's issue of Reader's Digest has an important message of hope from Beltone for anyone who's hard of hearing. If you (or someone in your family) has a hearing problem, you owe it to yourself to read this message. It may change your whole life. The October issue of Reader's Digest is on sale now. As Beltone's dealer in this area, I urge you to read this message—and act on it!

Napier Students Are Writers

By Mary Kelly and Jo Ann White

Miss Mary E. Kelly, 17, of Slem, Ky., and Miss Jo Ann White, 17, of Airport Gardens, have been named Co-ed Correspondents for the 1964-1965 school year, according to an announcement by Miss Margaret Hauser, editor of Co-ed Magazine.

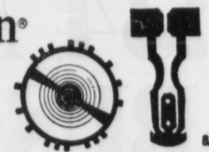

Miss Kelly, the daughter of Mr. and Mrs. Robert Kelly, and Miss White, daughter of Mr. and Mrs. Edward Estill White, are both in the 12th grade at M. C. Napier High School.

Selected for their qualities of leadership and their enthusiasm for Home Economics, Miss Kelly and Miss White will serve as junior advisors to the editors of Co-ed., national Magazine for teen-age girls. They will keep them informed of activities at M. C. Napier High School.

More than 4,000 Co-ed correspondents throughout the United States and Canada report regularly.

Presentation of the special Co-ed pins and cards were made during Home Ec. class by Mrs. Mina Skaggs and Mrs. Willa Spurlock.

Your watch was destined to be wrong. Accutron® is not.

Balance wheel (A) limits accuracy of regular watch. Tuning fork (B) replaces balance wheel and makes Accutron world's most precise timepiece—the first ever guaranteed for daily accuracy.

ACCUTRON "202" Railroad model with full figured easy-to-read dial. Gold strap. Waterproof, shock-protected. Also in stainless steel with black strap. \$129.00

ACCUTRON SPACEVIEW "H" The most unusual timepiece ever created. Transparent dial lets you see the space movement. Waterproof, shock-protected. \$150.00

The balance wheel, springs, staff, and screws in your present watch are mechanical parts. A speck of dust can upset them. So can congealed oil. And normal wear. These parts are not used in Accutron. Accutron time is kept by the vibrations of a tiny tuning fork which divides every second into 360 parts. It's guaranteed for average daily accuracy within 2 seconds. No conventional watch comes close to this. Or gives this guarantee! It's worth the time to you to look into Accutron.

Sorority Members Plan Xmas Dinner

Beta Sigma Phi met Monday night, December 7th, at the Hazard Businessmen's Clubroom. Mrs. Charles Simpson presided at the business meeting. Final arrangements were made for the Christmas Dinner to be held at the home of Mrs. Gene Combs.

Sorority members were given names and sizes of children who will attend the Underprivileged Children's Christmas Party. Each member will buy a warm item of clothing for a child, and toys, candy, sandwiches, etc., will be given by the Club.

Mrs. Glenn Combs and Mrs. Jack Fitz gave a program "Our Own Home." Mrs. Fitz gave tips on window treatments for different sized windows. Mrs. Combs showed a window shade she had made, and explained how to make one. She demonstrated how to cover spice cans and coffee cans to make attractive kitchen accessories.

Mrs. Combs had made a Hansel and Gretel Candy Witch House, which she displayed. The Candy House was very colorful with its penuche sides, chocolate roof, and multicolor mint trim. Gum Drop and Sucker trees grew in the yard, and it all was enclosed with a marshall fence.

Mrs. Chalmers Lindon served cokes to Mrs. Simpson, Mrs. Combs, Mrs. Fitz, Mrs. Floyd Hall, Mrs. Kenneth Zimmerman, Mrs. Jack West, Mrs. Toufeek Shaheen, Mrs. Bob Mansfield, Mrs. Joseph Castagnaro, Miss Thelma Combs, Mrs. George Vaughn, Mrs. Perry Greer, Mrs. Bill Rector, Mrs. Herbert Charles, Mrs. Dean Rogers, Mrs. Ar.

Miss Carter Elected Representative Of Kappa Delta Pi

Miss Alice Carter, daughter of Mr. and Mrs. Ralph Carter, Mousie, has been elected Student Council representative of Kappa Delta Pi at Eastern Kentucky State College.

A national education honor-ary, Kappa Delta Pi promotes high professional, intellectual, and personal standards.

Juniors or seniors possessing a 3.1 standing or better and taking a professional degree are invited to membership.

Denver-Pratts Host Dinner-Bridge Party

Mr. and Mrs. Denver Pratt entertained at their home on Sun Valley Terrace Thursday evening with a dinner-bridge party.

Guests were Mr. and Mrs. William D. Gorman, Mr. and Mrs. I. H. Buchanan, Jr., Mr. and Mrs. Andrew Beck and Mrs. William Goldsmith.

LETTER FROM MRS. JOHN SHERMAN COOPER

Coopers Journey To France Where Sen. Cooper Serves As NATO Delegate

Paris

After the German-American Conference we went to France, where John was a delegate at the NATO Parliamentary meeting. This conference is an annual affair that brings together Congressional Members in the Atlantic Treaty Countries. The sessions were long and difficult, mainly because of the French Government's position which is against the United States proposal of a multi-lateral nuclear force. This would consist of a fleet of 25 surface vessels manned by the United States and our allies.

France feels that Europe should be an independent power and control its own defense. While this sounds logical, we know that Europe has not the strength, despite France's small nuclear power, to resist attack. France is trying to make all the rules for her own aggrandizement.

DECEMBER 15

The next meeting of the M. C. Napier P.T.A. will be held Tuesday, December 15, at 7 p.m. There will also be a Christmas Program.

DECEMBER 16

The Hazard Homemakers will meet at 11 a.m. Wednesday, December 16, at the home of Mrs. Herbert Stewart, North Main Street, for their annual Christmas Party.

A covered dish dinner will be served. Mrs. J. M. Gray will be co-hostess with Mrs. Stewart. All Members are urged to attend and bring an exchange gift.

DECEMBER 20

The Annual Yule Taper Service and Christmas Cantata will be held Sunday, December 20, followed by the fellowship dinner.

DECEMBER 22

The Girl Scouts of Hazard will sing carols at 5:30 Tuesday, December 22, all over town. Each troop has been assigned an area.

Scouts will meet afterward at the Christian Church for cocoa. This is an annual event.

DECEMBER 27

The E. Tipton Carrolls' 8th Open House will be held Sunday, December 27, from 3 until 5 p.m.

Baker-Virden Vows Spoken Dec. 12

Mr. and Mrs. Chelsey Baker, of Hazard, announce the marriage of their daughter, Aggie Sue, to Mr. Gary Virden, of Parkersburg, West Virginia.

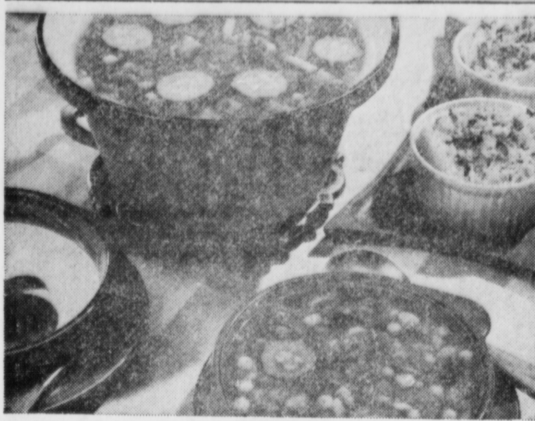

The vows were spoken in the First Church of God in Wise, Virginia, Saturday, December 12.

Miss Baker is employed by the Appalachian Regional Hospital office in Lexington.

Mr. Virden is a student at Morehead State College and a first string football player for the college.

The couple will make their home in Morehead.

New Soups Shine at Fall Suppers

One of soup's most valuable characteristics is its ability to impart a wonderful sense of well-being. This soothing quality has accounted for its centuries of fame.

Canned condensed soups have made possible innumerable menu combinations for quick-to-prepare, nourishing, tempting meals. And now, to delight milady even more, there are two new soups to add greater variety to her time-saving meals.

Old Fashioned Vegetable Soup has a true homemade flavor with its rich beef and vegetable stock, kitchen-cut vegetables, and enriched pearl macaroni. A completely different kind of soup, canned condensed Noodles & Ground Beef Soup is a hearty blend of three different kinds of noodles, ground beef, pieces of tomato, and other vegetables. Fix a tray supper for two soon, and feature the vegetable one of these great new arrivals. For added interest, diced cooked beef (a marvelous way to use that left-over roast) and chopped

green pepper blend well. Pop some frozen puff pastry turnovers into the oven to bake for dessert. Supper will be ready in minutes... and what a refreshing way to end the day.

SUPPER VEGETABLE BOWL
1/2 cup diced cooked beef
1 tablespoon chopped green pepper
14 teaspoon oregano, crushed
1 tablespoon butter or margarine
1 can (10 3/4 ounces) condensed old fashioned vegetable soup
1 soup can water

In saucepan, brown beef and cook green pepper and oregano in butter until green pepper is tender. Add soup and water. Heat, stirring now and then. Makes 2 to 3 servings.

Brisket of meat and noodles, the other newcomer... Noodles & Ground Beef... will be welcomed with gusto by the school-goers and "drop-in-for-lunch" hubby. This soup, too, can go to the table with a special touch. Just top with some chopped chives. Delicious!

Letters to Santa Claus

Dear Santa Claus:

I am a little girl six years old. I would like a cotton candy machine, a doll, a vanity, an Ann-etta doll and a vanity.

I will leave cake under the tree for you.

Thank you and Merry Christmas.

Lynn Stivers

Luncheon Honors

Anna Devere Tate

Miss Anna Devere Tate, Hazard, bride-elect of Mr. Gary Edward Williamson, Fulton, was honored with a luncheon at Bates Creek Country Club, Lexington, Saturday, December 12.

Miss Edna Ritchie Entertains

Members of Hazard Chapter DAR

The Hazard Chapter of the Kentucky Society D.A.R. met at the home of Mrs. C. C. Wells on Hall Street Saturday, December 12. In the absence of the Regent, Mrs. John E. Campbell, the Vice-Regent, Mrs. Roy Goldsmith, presided.

The meeting was opened with the DAR Ritual followed by the singing of one verse of America. The Pledge to the Flag and the American's Creek was led by Mrs. D. H. Goodlette, H. Douglas, Mrs. Roy Goldsmith, Mrs. J. H. Simpson, Mrs. Dewey Daniel, Mrs. A. M. Gross, Mrs. Bess W. Draughn, Mrs. C. C. Wells and Miss Edna Ritchie.

The program was in the charge of Mrs. Charles White, head, Music Chairman, who presented Miss Edna Ritchie, one of the famous Ritchie Folk Singers, of Viper, who sang four beautiful ballads accompanied by music of the dulcimer. Preceding the rendition, Mrs. J. H. Simpson and Mrs. Dudley Goodlette as co-hostesses.

Refreshments were served to the following members and guests: Mrs. Perry Gorman, Mrs. Peggy Cornett, Mrs. Charles Whitehead, Mrs. D. H. Goodlette, Mrs. A. N. Peters, Mrs. W. Flag Chairman. The January meeting will be held Saturday, January 9, at the home of Mrs. Roy Goldsmith, Woodland Park, with Mrs. J. H. Simpson and Mrs. Dudley Goodlette as co-hostesses.

Foley Wins WHAS Leadership Award December 13 On Special Telecast

Jim Foley, 195-pound Guard-Linebacker from the University of Kentucky and Lexington native, was named winner of the 15th annual WHAS Leadership Award on a special Channel 11 telecast Sunday (December 13) afternoon.

Foley, called by Bradshaw "a fierce competitor," has won three letters in football while at UK and was named "most valuable player" by his teammates this year. He also served as co-captain of the 1964 team.

He did his prep work at Lexington Lafayette where he gained first string All-State selection and was mentioned on All-America units.

Last year's award was won by Florida native Darrell Cox, the smallest player ever to be honored.

Give a lasting gift, give a book on Kentucky.

Black Bass No. 1 Fish In Kentucky

Black bass is the No. 1 fish in Kentucky right now with catches being made in various lakes by casting, still fishing with minnows and nightcrawlers and by jig fishing, the Department of Fish and Wildlife Resources reports. A lake by lake rundown follows.

Lake Cumberland — Muddy in the upper reaches and in some of the tributaries, good black bass on crawfish, minnows and nightcrawlers off rocky points and deep banks; below the dam rainbow trout on cheese and walleye on chub minnows. Temperature 52, clear to muddy and stable.

Herrington Lake — Black bass on deep runners and artificial nightcrawlers in heads of creeks; crappie from fishing parlors. Temperature 50, clear except upper third which is muddy and holding steady.

Dale Hollow — Black bass by casting deep running plugs and on large minnows. Temperature 50, clear to dingy and falling slowly.

Rough River — Black bass by jig fishing along shallow banks. Temperature 48, most of lake muddy, above pool stage and rising.

Kentucky Lake — Black bass by casting off points; scattered catches of crappie in inlets and bays; Below Dam — crappie and striped bass on minnows and do-jigs; some sauger on minnows. Temperature 45; murky to muddy, (Seven gates open), and stable.

High Scores Tallied In Ladies' Bowling Leagues

by Marie Osborne

Betty Miller (Mrs. Rufus Miller), recently returned to Hazard from New Orleans where she and her two sons and young daughter made their home with her husband, Army Captain Rufus Miller, walked away with the high score for Thursday night's bowling.

The hook is the mainstay roll of practically every good bowler. Because it stays with the pins a fraction of a second longer, it mixes them better, with resultant greater pinfall—that's just what this hook which Jo was really "rolling" was doing. Jo's motion of bringing her arm up in her delivery imparted a spin to her ball and it not only was taking a beautiful hook, which began over two-thirds of the way down the lane, but also her ball was spinning or one could easily say "spiralling" as it came in contact with the strike zone—Beautiful bowling, Jo, one of the prettiest games I've ever seen any keglerette bowl. Congratulations, too, you well deserve them. You had two other nice scores, as well, just don't get any ideas about returning to New Orleans, or should I say going to Korea, as this is where Captain Miller is at the present. Definitely Hazard is where you belong—we need you with our team.

Paulette Maggard, an excellent keglerette, bowling with the first-place team, Halcomb's Shoe Service, certainly performed quite consistently; so consistently that recognition from WIBC shall soon be coming Paulette's way. Paulette accompanied the near impossible feat Thursday night—having three games with the identical score. Congratulations are also in line here, nice work Paulette.

High Team Series was captured by Stewart's Construction Company with the nice total in coming in third with 756 (actual).

Individual high game score was, of course, as above stated, taken by Betty Miller with Stewart's, 200 (actual). Margaret Rector was second for high game score with a fine 197—knocking on the door to 200. Again, a bowler with Stewart's Construction Company comes into the picture, being third in this department with a 191 (actual).

High Team game was rolled by Stewart's Construction Company, a healthy 796. The Sorority—Beta Sigma Phi, was second, with a total pinfall of 781 (actual). Guess—Stewart's Construction also were successful in coming in third with 756 (actual).

High Team game was rolled by Stewart's Construction Company, a healthy 796. The Sorority—Beta Sigma Phi, was second, with a total pinfall of 781 (actual). Guess—Stewart's Construction also were successful in coming in third with 756 (actual).

High Team game was rolled by Stewart's Construction Company, a healthy 796. The Sorority—Beta Sigma Phi, was second, with a total pinfall of 781 (actual). Guess—Stewart's Construction also were successful in coming in third with 756 (actual).

First Place Team - Halcomb's Shoe Service - Won 25 - Lost 14
Second Place Team - Stewart's Construction Co. - Won 23 - Lost 16
Third Place Team - Beta Sigma Phi - Won 22 - Lost 17.

As the scores above quoted certainly prove, bowling by the keglerettes of the Queen's Ladies League Thursday night was very very good—Stay in there, ROLL your ball with great care, and the season is really quite young, and so much fun to be had.

Royal Osborne Finishes Training

Marine Private Royal G. Osborne, son of Mr. and Mrs. Claude Osborne of 110 Allais Road, Hazard, Ky., completed recruit training November 25 at the Marine Corps Recruit Depot, Parris Island, S. C.

The training included drill, bayonet training, physical fitness, parades and ceremonies and other military subjects. Three weeks were spent on the rifle range firing the M.14 rifle and other infantry weapons.

Recruit training prepares Marines for further specialized training in a service school or with a unit of the Fleet Marine Force. He will report to Camp Lejeune, N. C. for further combat infantry training.

The Old Timer

"No mechanical device builds up momentum as fast as the human tongue."

DEC. 15 AT 10:34 A.M. ANHEUSER-BUSCH ROLLED OUT ITS 10,000,000th BARREL OF BEER THIS YEAR!

Never before in history has a single brewer produced ten million barrels of beer in one year. To Anheuser-Busch, of course, this industry record is a tremendous source of satisfaction. But this record is far more than that. It is a clear indication of the successful cooperation of American management and labor... of the ability of good products to win ever-increasing acceptance in the marketplace.

Anheuser-Busch beer is produced for enjoyment and refreshment. But ten million barrels of beer produces other things: employment for thousands of people who work in our breweries... income for farmers and for folks who work in the paper, metal, plastic, and glass industries... and funds for federal and state taxes to improve schools, build roads and fight poverty.

This year alone, for example, the beers brewed by Anheuser-Busch will provide more than \$90 million in federal taxes and more than \$45 million in state taxes.

When that ten millionth barrel rolled off the production line, we stopped and drank a toast to the millions of people who enjoy our fine beers. Thanks...ten million of them!

Christmas Spirit Rolling High At Saul This Year

by Ambrose Rice

The 4-H Club of Saul met Friday, Dec. 4, at the Leatherwood School at 2:00 o'clock with a large number of its club present; also Paul Keen, our County Agent being present. Our president Cassie Woods called the meeting together, and a poem, Christmas in the Air by Nelson Couch, vice president and introduction. Geraldine Davidson gave the Xmas Carol, followed by Pearl Rice giving the Tree. Freddie Smith gave Holiday Mistletoe and Yule Log; Jo Anna Couch gave the Christmas Hymn; Tester Rice gave Great Christmas Music; Conley Gay gave Silent Night. We sang Special Songs and read poems; and finally Mr. Paul Keen took over and gave instructions. We had as our game for the day, Black Magic, which caused some excitement. Our president closed the meeting and invited all members and leaders to be back at our next meeting.

With Christmas just around the corner, the Spirit is rolling high, Christmas cards coming in—school singing their Xmas Carols, getting their Xmas program on the way with buying and exchanging gifts in school and elsewhere.

Granville Smith and Thelma Northern made a trip to Saul on Dec. 8, from Indiana and back where they took blood tests to get married. They plan to marry in Austin, Ind., this weekend. Both parties are from Saul.

A. L. Davidson's baby is in Oneida Hospital at present. Everyone is hoping it will be home soon.

Hobert Hensley and wife from Clay County have moved to Saul since last week end.

The neighbors are killing hogs and salting down for winter use at Saul.

John Couch was the lucky one at Saul in Deer Hunting. He killed one, his first in life.

Mrs. Jesse Barger went back to Oneida Hospital Thursday of this week for a check-up. She is the lady who had a bad car wreck in or near Hyden some time back.

Luther Rice has fell in line from Saul for Justice of the Peace, District No. 1 where Irvin Morris is now serving.

Luther is a veteran of World War II. He received the Purple Heart for combat service, and has lived most all of his life in Saul. He is the only one to file in Barger No. 7, so far.

Sgt. Willie Hollan Is Rifle Expert

Army Sgt. Willie Hollan, 23, son of Mr. and Mrs. James Hollan, Combs, Ky., qualified as expert in firing the M.14 rifle in Germany November 20.

The versatility of this lightweight rifle allows the individual soldier to fire it automatically, mount a bayonet for hand-to-hand combat, or to launch a rifle grenade against enemy armor or personnel in fortified positions.

Sergeant Hollan is a section leader in Company B, 2nd Battalion of the 3rd Armored Division's 48th Infantry stationed near Gelnhausen, Germany.

He entered the Army in July 1960 and was stationed at Fort Riley, Kan., before arriving overseas in January 1961.

The sergeant attended M. C. Napier High School in Hazard. His wife, Josefina, is with him in Germany.

Well folks some thought winter had set in a few days ago, all because we had a few snow flurries, I am like Charlie Robinson that was just a little fidgety tpe weather. I will agree it did make you hump up a little, all because we haven't gotten use to the temperature dropping below the fifties too much so far. I am going to keep my fingers crossed in regard to my previous prediction on this winter. With Christmas only a few days away let's hope that it will stay as well as it has been. Many of you folks that live away from here any more will want to be heading home to take this holiday season with all your folks.

I know many of you have looked forward to this season of the year for a long time, I know the folks here at home have also long waited for this time. Let me suggest that you use the utmost care on driving home, or where ever you have to use your car. Lets make it one of the safest holidays ever. WONT YOU DO YOUR PART. Remember the life you might be your own. Not too long ago I was in a service station in Lexington, Ky., noticed a sign that read something like this, (DON'T BE CAUGHT DEAD SITTING ON YOUR SEAT BELT.) The National Safety Council urges us all to use our seat belts, regardless of how far you are going I have read that the biggest percentage of auto wrecks occurs within a radius of twenty five miles from your home. FOLKS LET'S BE CAREFUL AT THIS MOST WONDERFUL HOLIDAY SEASON'S OF ALL. Let's use the common sense that we should while driving on our highways.

ONCE AGAIN

That grim reaper of Death has struck down a popular young man in our area, with the passing of Bill Cole, age 39. He died with cancer after a lingering illness. To this family and to his many friends, many of you are readers of this column, I wish to express your many condolences and condolences to this bereaved family in regard to their beloved one's loss in their midst. Bill was a most likeable fellow, I have never heard of so many people that have been with him both at work and other connections speak so highly about him, a most likeable fellow, with a heart as big as they come, so unselfish. Isn't that nice after you have passed over this rocky road of life that so many people can recall the fine deeds of a person? Let me suggest: don't wait until the darkened hour arrives to bring these memories home to you. Let's consider doing these many things while there is still life and a memory to think, and

above all to be able to thank you for these fond memories. May the Good Man Above reach out to this bereaved family in offering his solace to these grieved ones. And especially to this old Mother and Dad who have watched over him in death as they did in birth. I extend to you along with all readers of this column our heartfelt sympathy in these trying hours of yours.

THEY ARE OFF

To the sunny south of Florida, Mr. and Mrs. Bartie Melton to visit with their children down there. I know one of the girls they are going to visit, that is Grace. So I am going to say, Grace and your sister take real good care of Mother and Dad. Understand that many items of canned goods, THIS I MEAN HOME CANNED IS already there, along with some SHUCKY BEANS AND THE TRIMMINGS THAT GOES WITH THEM. Since they have this old time food down there this winter I would say you might be able to hold Mr. Melton there at least until after the holidays. Put a fishing pole in his hand or something else to occupy his time and I am sure that he will stay with you. I only wish I was near him for a spell, I will guarantee you I could keep him on the move and forget this frosty weather until it is gardening time again. Be seeing you folks this coming spring.

REPORTS THAT

You boys from this area that went deer hunting have done yourselves right well during this past deer season, Hurst Plowman and Arnett Deaton got theirs in Lee County, Ira Gayheart and Jasper Gayheart in Leslie County, Bennie Roll, Amos Isom and Hillard Barnett got theirs in Menifee County, Homer Howard local state trooper got his in Leslie County. Last but not least we heard of ROBERT CORNETT getting himself a nice buck at Camp Breckinridge. I would say this was the finest thing that ever happened to Robert unless it would have been at a granny frolic, or out-talked Elbert Newberry on election returns. Robert is up in his late seventies. He states that this has about wound up all his ambitions in life, he finally killed himself a deer. Robert, I don't know of any one that I would have rather seen get a deer than you. He has been a faithful hunter to these past several years since Kentucky has had a deer season. More power to you once again, Robert. I know that you are planning for the next year. I want you to get Elbert to go with you, I doubt if that would work, because both of you would start fighting over the election.

Summer Entertaining
An attractive make-ahead salad for luncheon guests or summer supper buffet is prepared with shrimps and jellied tomato juice. Serve with soft, buttered rolls, or keep the calories low with Swedish crisp bread.

TOMATO SHRIMP ASPIC
1 envelope unflavored gelatin
2 cups tomato juice
1 tsp. sugar
1 tsp. Lea & Perrins Worcestershire Sauce
1 can (4 1/2 oz.) cleaned, deveined shrimp
Salad greens and sliced cucumber
Mayonnaise

Sprinkle gelatin over 1/2 cup cold tomato juice to soften. Heat remaining tomato juice to almost boiling; add softened gelatin, sugar and Lea & Perrins. Stir until gelatin is dissolved. Chill until slightly thickened. Drain shrimp; rinse in cold water and drain a second time. Fold into gelatin mixture. Turn into individual molds. Chill until set. Unmold on salad greens and garnish with cucumber. Serve with mayonnaise. (Makes 4 to 6 servings)

BOOKS FOR SALE

For lasting gifts, that people will enjoy for many years, give books. The Hazard Herald is selling books by Kentucky Authors. We now have History of Perry County. Price \$4.00; "Memories" by Cora Noble, of Jackson; "Night Comes to the Cumberland", by Harry Cauldill; and many others. Give a lasting gift, give a book on Kentucky.

How To Hold FALSE TEETH More Firmly in Place

Do your false teeth annoy and embarrass by slipping, dropping or wiggling when you eat, laugh or talk? Just sprinkle a little PASTETH on your plates. This alkaline non-acid powder holds false teeth more firmly and more comfortably. No gummy, sticky taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get PASTETH today at drug counters everywhere.
